Each year, I nominate qualified students for admission to our nation's military academies. The process is merit-based, and you must reside in Minnesota's First District. Applications are typically due at the end of October each year.

This year, applications are due no later than October 31, 2013.

Click here for an application packet . Feel free to contact my Rochester office at 507-206-0643 if you have additional questions, or to verify that your materials have been received.
