Mankato, MN – Tonight, Congressman Walz released the following statement regarding the death of Osama Bin Laden:

“Tonight, my thoughts are most with our brave men and women in uniform. Their perseverance, sacrifice and courage is nothing short of remarkable. We have them to thank for this moment of justice.

America still has enemies around the world, and so, we will stay vigilant. But tonight ends a dark chapter in our history. May we always honor the memory of those who lost their lives on September 11th and keep our thoughts and prayers with their families. And let us always remember moments like tonight when our country can come together as one."
